Dear Dr.M. Tirtana Siregar,  
We hope this email finds you well.

We read your article on the Internet and think that research subject is consistent with our journal. In view of your knowledge and insight in the field of Management Science & Engineering research, we sincerely hope that your research results or related articles can be published in the Journal of Management Science & Engineering research(EISSN: 2630-4953 ).

Journal of Management Science & Engineering research is an international journal of the Singapore Bilingual Publishing Co. The focus of the Bilingual Publishing Co is to promote a platform for the exchange academic achievements by gathering global scientific institutes, experts and scholars in various fields.The journal has been indexed by Google Scholar, CNKI Scholar (International), J-Gate (originating from India), My Science Work (originating from Luxembourg) .

At present, we are calling for the academic articles or treatises. If you have any articles on hand that you are looking to have published, we would provide you with quality publishing services.

Due to the impact of COVID19, the publisher has decided that articles submitted during this period will be published for free.

If you are not interested in our invitation, please kindly inform us as well. This is so we would not continue to disturb you further and take up more of your time.

We look forward to your reply.  
Thanks and best regards

## Acceptance Letter

Dear Author(s): M. Tirtana Siregar, Gilang Yoga Samodra,

We are pleased to inform you that your article entitled "**Analysis of Service Delivery Improvement of Manufactured Products with Lean Method Management (OJS ID: 2620)**" has been accepted for publication in **Journal of Management Science & Engineering Research (ISSN Online: 2630-4953)** after successfully passing the peer-review process and revisions made by the authors. All of the accepted manuscripts in this journal will go under advanced English editing by our editors. The English editor's comments will be sent to the authors before we prepare the pre-publication version. The date of acceptance in published article will be the date after the author(s) correct/confirm the English edited version of the manuscript and the manuscript passes the quality checks. You will receive the galley proof of the final revision after all of the quality control checks and prior to publishing the article.

Thank you for your excellent contribution to our journal.

Sincerely, Editorial Office
